Show & Tell Activity

Show and tell activity promotes the child's confidence to face the crowd and speak with confidence. This helps the child to build up an effective communication.

In connection with **World Animal Day** falls in October, The Springfield Kindergarten will conduct **show & tell** activity on **16 October 2022(Sunday)**. The topic is **'My Favorite animal.'**

The student can carry a picture or model of any kind of animal and speak about it briefly (not more than 5 sentences).

Ms. Sufera Ashraf
