## CIRCULAR

### Poem Recitation Activity

Recitation has its *own rhythm, music, sounds & beats* which are very much helpful for child's language development. The Poem recitation helps to develop memorization skills.

The Springfield Kindergarten is organizing a poem/rhyme recitation activity on **Thursday 19<sup>th</sup> January 2023** for all classes. Parents may select any Rhyme and prepare their wards for the recitation.

Please note that children should recite the rhyme with action. They may use props. Parents encouragement is very important for our children.
